**over (Am) home**  
I know dark clouds will  
gather round me. I know my  
way is rough and steep. But  
beauteous fields lie just  
before me. Where men  
redeemed their vigil's keep.

she went up to her room and  
she sang a fateful tune, and I  
don't want to be treated this  
way... **Now** she's coming  
down the stairs, combing  
back her yellow hair, and I'm  
going where those chilly  
winds don't blow. . . **I see**  
you sitting in the shade  
counting every dime I made.  
. . **Well** I've done all I can do

nothing but a man, but b4 I  
let that drill beat me down,  
gonna die with a hammer in
