**The Bluest Man in Town (G)**  
You (G) went away to leave  
me here; To (C) find some (D)  
body (G) new. You're (G)  
happy now with your new  
love; And (C) I'm (D) alone  
and (G) blue. **(Chorus:) The  
shadows are creepin'** around  
my door; The sun will soon  
go down; The night birds are  
cryin' on the mountain; I'm  
the bluest man in town  
**You took away a love we  
knew;** You wrecked our  
happy home You left me with  
a broken heart; So blue and  
all alone

**Blue Night (G)** Blue night, got  
you on my mind; BN, can't  
keep on (C) cryin'; You (G)  
found some-one that (C) was  
new,& quit someone you  
know was true (D) BN, got  
you on my (G) mind. **BN,  
blue as I can be;** I don't know  
what's become of me; where  
we used-to-walk, I walk  
alone with an achin' heart  
cuz my love is gone; BN, blue  
as I can be. **BN, I'm all alone;**  
used to call you on the  
telephone; used to call & it  
made you glad, now I call & it  
makes you mad BN, I'm all  
alone. **BN, all by myself,**  
since you put me on a shelf;  
Just one thing you should  
know, you're gonna reap just  
what you sow; BN, all by  
myself
